Barbey Packing Corporation was started on the Columbia River in 1914 and moved to it's present location in 1926. It has operated continuously since that time. We at Barbey's are proud of the fact that we are the only major seafood cannery in Clatsop County that is locally owned and operated.

Barbey's fancy hand packed seafoods are always packed from fresh fish to insure the best flavor possible. The extra care and attention of experienced employees have made Barbey's Fancy Seafoods the choice of the most discriminating consumers. Try any of Barbey's products and see for yourself the difference that care makes.

The Red Stocking Revue accomplishes a number of goals all of which are on the positive side. First, it gives Rotarians an opportunity to work together for a common cause. Secondly, it provides good solid entertainment for many, many people. Thirdly, it provides the Astoria Rotary Club with the funds to continue the many worthwhile projects designed to benefit all the people in our area.

Enjoy the show, we enjoy bringing it to you.

RAY DREESZEN, Rotary President

It is once again that time of the year when we have the opportunity to work with the Astoria Rotary Club in presenting their annual Red Stocking Revue. We are pleased that we can be a part in supporting them and their worthy projects.

We would like to thank everyone who has participated, and especially to all of you who have come to share the fun and entertainment with us.

MELINEE BLAIR, Rotary Ann's President

# Red Stocking Revues Commenced in 1971

After a ten year lapse of Rotary Shows the program was started again with the most ambitious goal ever attempted, the construction of a grandstand at the High School athletic field.

In 1971, under Rotary President Robert Lawlis, with local show co-chairman Graham Barbey and Marsh Hoffman, and all Rotarians and Rotary Ann's taking part, the new show was presented. This year presented many problems, new to the members, learning new techniques in the show business, but it was very rewarding and resulted in raising \$3600 for the new project.

Representing the production company was Director Max Shoaf and the Show was staged on April 16-17.

## 1972 SHOW

The 1972 production was given on April 21-22 under President Dan Clifford, and the show Chairmen were Bob Chopping and John Hickman, ably assisted by all Rotary members, Rotary Ann's and a chorus line from the Astoria High School girls. Director Victor Duntiere represented the Cargill organization in presenting the show under the title "Do Your Thing." Those in the cast found that with the previous year's experience under the professional directors made the three weeks rehearsals much easier and the performances more polished. The net income for the 1972 show was about \$3800, which was added to the 1971 proceeds and placed at interest locally.

## 1973 SHOW

The Third production of the Red Stocking Revue on April 27-28 was under the Direction of Peter Thomas and found more local talent joining the Rotarians and Rotary Ann's and enjoying their participation. During the prep-

arations for this show, Rotary (from other funds), installed in the High School Auditorium a complete speaker system, under the direction of Larry Snyder and Rueben Jensen, at a cost of \$1200. The entire system was a gift to the High School.

Rotary President Frank Russell appointed Joe Bakkenen and Ed Nelson, Jr., as Show Chairmen.

Our receipts for the 1973 show were \$5200.

## 1974 SHOW

The fourth show, presented on April 26, 27 was extremely successful. Both evenings were played to sell-out audiences at the High School. President John Rickman's co-chairman for the show—Ron Elmes and Daryl Birney—raised about \$5000. This, coupled with the previous years proceeds, made the Gyro Field Grandstands a reality. Director Dwayne Early whipped the local Rotarians, Rotary Ann's and high school performers into a memorable show.

## 1975 SHOW

The goals for the 1975 show were three-fold. First, to obtain sufficient funds to purchase an anesthetic machine and ventilating machine for use in the operating rooms at the hospital. Second, to purchase a slide and tape recorder combination audio-visual unit for our Columbia River Maritime Museum. Third, to cover our expenses in purchasing the first class gym equipment for the YMCA. Rotary President Jim Durham appointed Dick Logan and Leif Ericksen to be show chairmen, with the assistance of Joann Grimes' Rotary Ann's, the show was sold out for April 18 and 19. Netting around \$5,000 from the production of John Bell of Cargill, all the goals were realized.

## 1976 SHOW

The sixth run in the Red Stocking has four projects to fund: (1) purchase of material for the construction of a storage shed at Astoria High School's fish hatchery; (2) financing the installation of lighting for the tennis courts being built at the Niagara St. Park; (3) purchase of flags for the Columbia River Maritime Museum, and most importantly (4) the acquisition of a van for use by the senior citizens of Astoria for transportation. Many of our elderly residents have difficulty with Astoria's hills and cannot enjoy some of the programs to assist them and make their lives fuller. This van, with wheelchair capacity, will help them immeasurably.
